

Helping Kids - It's As Easy As Riding A Bike

Join St. Mary's Center at the 27th Annual Rodman Ride for Kids

We need your help! If you or someone you know can bike 25, 50 or 100 miles, join St. Mary's Center at the 27th Annual [Rodman Ride for Kids](#) on **Saturday, September 23rd, 2017!** All fitness and ability levels are welcome.

The Rodman Ride (The Ride) is the #1 single-day athletic fundraiser in the nation supporting at-risk kids, and it is an incredible opportunity to raise awareness and critical funds for St. Mary's Center's life-changing programs and services. Even better 100% of all proceeds go to St. Mary's Center plus each dollar you raise is matched 3% by the Ride!

We ask that each rider raise a minimum of \$1500 to help at-risk children. Each year, St. Mary's Center partners with 600 women and children to build their emotional well-being, educational achievements, and economic independence. Your participation in the Ride makes this possible.

St. Mary's Center's experienced fundraising team will provide you with support along the way. Come eat, meet other riders, and learn more about the Ride and St. Mary's Center at an upcoming information session.

St. Mary's Center for Women and Children offers innovative and family-centered programs for women and children who have experienced trauma and are living in poverty. Placing families at the center of our efforts, St. Mary's Center works in partnership with young women, many of them mothers, to break the intergenerational cycle of poverty and achieve lasting, powerful change by building their emotional well-being, educational achievements, and economic independence. Located in Uphams Corner in Dorchester, Massachusetts, St. Mary's Center supports 600 women and children annually with shelter, clinical and educational services, job training, employment placement, and search for affordable permanent housing.
