

WOMEN'S PARTNERSHIP PROGRAM

WOMEN AS PARTNERS

The Women's Partnership Program began as a small group for women working to empower other women to be catalysts for change.

MISSION STATEMENT

Members of the Women's Partnership Program are ambassadors for St. Mary's Center. Our passion and collective spirit are inspired by the women, children and families served. Through financial support, mentoring, advocacy, and volunteering, we can work together to create positive change.

HELP PAVE PATHWAYS

There are many ways to help pave pathways for St. Mary's Center women.

- Host a partnership event at your home or office
- Participate in networking sessions and mock interviews
- Invite your network to contribute their talents and join us in our mission

A FOCUS ON EDUCATION & EMPLOYMENT

The Women's Partnership Program is committed to supporting women as they change paths and create new lives for themselves and their families through participation in the education and employment programs at St. Mary's Center.

Women@Work is a 20-week transitional employment program that combines contextualized classroom instruction with a 6-week paid internship in the technology, healthcare, or nonprofit sector.

Women's Learning Center provides women with significant educational barriers with classroom instruction and tutoring to gain basic skills, their high school equivalency, and prepare for higher education.

ABOUT ST. MARY'S CENTER

St. Mary's Center for Women and Children is a multi-service organization supporting women, children and families who are experiencing homelessness and living in poverty.

Grounded in social justice, we empower families to achieve emotional stability and economic independence through education, workforce development, and permanent housing.

YOUR SUPPORT TRANSFORMS LIVES, ONE WOMAN AT A TIME.

Your annual membership contribution of **\$150** provides access to all curriculum licenses for one woman participating in Women@Work.

\$500 provides transportation, books and other materials for a woman participating in St. Mary's Center education & employment programming.

\$1,000 provides 16 hours of crucial clinical support, such as counseling for a woman in need.

\$2,500 supports a woman with 3 months of education through the Women's Learning Center.

\$5,000 supports two women through a certificate program at Bunker Hill Community College.

\$10,000 sponsors one woman through job training, career development, and job placement with a leading corporate employer partner in St. Mary's Center's education and employment programs.
